

Technical Data Sheet

Diesel Bactericide

Reaction time
works during operation

Application field
for use in all diesel engines

Consumption
10 ml per 10 L

Application interval
on demand

Application

Add regularly every 4 to 6 months to the diesel tank at a ratio of 1:1000 (150 ml sufficient for 150 L diesel). Especially recommended for use in storage tanks, in boats and diesel aggregates that are out of service for a longer period (e. g. motor caravans, construction machines, other commercial vehicles).

Description

GAT Diesel Bactericide is suitable for use in all diesel aggregates and diesel storage tanks. High-performance concentrate with a wide action spectrum for preventive use against bacteria, fungi and yeasts.

Advantages

Only a clean diesel system guarantees optimal operation of all system components, a clean and powerful combustion and efficient engine performance! Preventively disinfects the complete diesel system. Reliably stops formation of bacteria, fungi and yeast. Existing germs are quickly killed. Regular use helps to prevent new bacterial growth.

Packing sizes	Packing Unit	Article Number
150 ml	24 x 150 ml	Art. 62007
1 L	12 x 1 L	Art. 62065
5 L	-	Art. 62066
10 L	-	Art. 62074

other sizes available on request

Properties

Physical state	liquid
Color	colourless, clear
Density	0,87 g/cm ³ DIN 12185
Flashpoint	24 °C
Viscosity	0,9 mm ² /s (at 40 °C)

Compatibility

The product is suitable for use in all diesel engines and can be mixed with all diesel fuels.

Safety instructions

Follow the application instructions on the technical data sheet (TDS). Read safety instructions in the Material Safety Data Sheet (MSDS) before using this product. Please keep out of reach of children. If medical advice is needed, have product container or label at hand and call poison centre/ doctor.

Disposal

Dispose of this product and container according to national/ regional regulations.

Although our information is based on intense product tests and studying and therefore considered as reliable, it nevertheless has solely advisory character.
