on demand

Power Steering Care & Protect

Application

Add directly to the steering system after the change of power steering oil. Before application of the product, drain the corresponding amount of oil. 100 ml are sufficient for 2 L capacity. For larger capacities add 50 ml per liter of steering oil.

Description

GAT Power Steering Care & Protect for protection of power steering gear boxes.

Advantages

Protects all parts of the gear box from wear, tear and rust. Protects from oxidation and foam formation. Has a noise-reducing effect and guarantees a save and smooth operation of the power steering system.

Packing sizes	Packing Unit	Article Number
100 ml	24 x 100 ml	Art. 62031
5000 ml	–	Art. 62173

other sizes available on request

Properties

Physical state	liquid
Color	dark green
Density	0,84 g/cm ³
Flash point	>156 °C
Viscosity	19 mm ² /s (at 40 °C)

Compatibility

For use in all hydraulic steering systems.

Safety instructions

Follow the application instructions on the technical data sheet (TDS). Read safety instructions in the Material Safety Data Sheet (MSDS) before using this product. Please keep out of reach of children. If medical advice is needed, have product container or label at hand and call poison centre/ doctor.

Disposal

Dispose of this product and container according to national/ regional regulations.

Although our information is based on intense product tests and studying and therefore considered as reliable, it nevertheless has solely advisory character.
